Cookware and Plant Stands
Display your finest cookware or plants on these graceful hammered steel stands.

Quilt Racks
Display up to three of your prized quilts on one rack. These racks can be handed down from generation to generation, just like the quilts.

Wine Storage Racks
Graceful freestanding rack holds bottles at the proper angle to keep corks moist. Soft pads protect floor or counter top.

home accessories

Always the Best

...Enclume

Pot hooks are available in a variety of styles and all matching finishes. Hanging hooks are used to suspend or attach racks; extension hooks have general applicability, captain hooks are for rolled-end bars, and ceiling screw hooks are for ceiling attachment. Thick chain can lower your rack or modify its look.

Kitchen Furniture
and Home Accessories

Yesterday, Today, and Tomorrow

Craftsmanship Beyond Pot Racks

Yesterday

Early on our metal craftsman found time to create unique products for home storage beyond our signature pot racks.

Always based on a formula marrying form and function, we started in the kitchen, then ranged though out the home. Fine kitchen furniture, then shelving, stands and racks were the result.

Today

Now Enclume's logo also signals high quality home accessories. Stylish, strong and essential in use – all made in our time-honored way. In consumer markets where cheaper reproductions abound what is clear in Enclume accessories is superior value.

Here our customers reward our higher standards.

Tomorrow

Our growing line of kitchen furniture and home accessories is marked by uncommon designs and ongoing innovation.

No one is better at melding steel and maple butcher block into distinctive side boards, islands and carts -- Nor fabricating the latest style of metal plant stand or wine rack.

Investing in Enclume Kitchen Furniture and Home Accessories

Versatility and functionality

Enclume's line of kitchen furniture adds beautiful work spaces to your kitchen. Finishing touches from plant stands to coat, wine and quilt racks provide attractive home accents as well as additional storage. The possibilities for their use are throughout the home.

Assembly is easy

Most of these products ship flat with hardware and assembly instructions. Assembly is simple with an enclosed hex wrench. Some items even come fully assembled.

Maintenance is straightforward

Clean hammered steel with a damp cloth and touch up with floor wax. Brush stainless steel in one direction with Scotch Brite to remove scratches; remove spots with an oil-free glass cleaner. Use a glass cleaner on chrome plate and use a nonabrasive cream metal cleaner/polish for tarnish on copper and brass plate.

Our kitchen furniture products – carts, sideboards and islands -- come with finished Eastern maple butcher block tops and shelves. The finish is formulated to repel most household solvents. If used as a cutting surface, special added care instructions are provided with each board.

We stand by our products

Enclume's workmanship warranty is five years. Claims are processed promptly and direct with Enclume. However, cutting or reworking butcher block tops voids our warranty.
